What if I fail the final exam?

FAQ · https://training.fairhousinginstitute.com/docs/failed-exam/

No problem! You can take the exam as many times as it takes to pass and receive a certificate. Just click **Retry** at the end of the exam. If you go back through any part of the course for review after you have failed the exam or close the course and come back at a later time, you may see an already answered question when you make your way back to the exam*.

Click **Next** to make your way through your completed exam questions. Use this opportunity to review your incorrect answers, as they may be on your next try. Once you get to the results page, click **Retry**, which will reset the exam so you can try again. Once you pass, your course certificate will be emailed.

***NOTE:** You cannot navigate directly to the exam, as it is always locked. The only way to access the exam is to start one or two slides prior to the exam and click **Next** until you reach it.
