Can I add more seats to my group?

Purchases For Your Team · https://training.fairhousinginstitute.com/docs/adding-seats/

Absolutely! If you have purchased a Group Account through our website, you can add seats to your group after your initial purchase. Simply follow these instructions:

1. Log into your account.
2. From the top menu select **Groups** > **Group Management**.
3. If you have more than one group, choose the group from the *Group:* dropdown menu.
4. Under *Enrolled Users* click **Add seats**, which will be next to your seat total.
5. Choose the number of seats you'd like to purchase.
6. Click Proceed to checkout.
7. Complete the checkout process.
8. Your purchased seats will now be available for assignment in the existing group.
