What are the Fair Housing Focus Courses, and who are they for?

Courses · https://training.fairhousinginstitute.com/docs/what-are-the-fair-housing-focus-courses-and-who-are-they-for/

The *Fair Housing Focus Courses* are short, specialized trainings designed to dive deeper into specific compliance topics such as **assistance animals, marketing and advertising, criminal history, harassment, maintenance, and more**. They're recommended for **housing professionals at every level** who need targeted guidance on high-risk areas to strengthen compliance and protect their communities.
