# What is the Fair Housing for Single-Family Rentals course, and who is it intended for?

Courses · https://training.fairhousinginstitute.com/docs/what-is-the-fair-housing-for-single-family-rentals-course-and-who-is-it-intended-for/

The *Fair Housing for Single-Family Rentals* course explains how fair housing laws apply to individual rental homes, covering common compliance risks like advertising, screening, and resident relations. It's recommended for **owners, property managers, leasing agents, and landlords** to ensure single-family rentals are managed fairly and legally.

We also offer a "Flash" version for a high-level overview or a quick refresher.
